

CORRIGENDUM

In the Vice-Chancellor's address to the Special Congregation held on Friday, November 27, 2009 for conferment of Honorary Degrees and award of Graduate Degrees, which was published in the University Recorder No. 322 Feb. 2010 Vol. 43 No.11 page 255 under "**POSTGRADUATE STUDIES AT KNUST**", it was incorrectly published that "the Association of Commonwealth Universities (ACU) had selected KNUST as the Institution for hosting the first Repository Centre." This is being corrected to read as "the Association of African Universities (AAU) approached the Consortium of Academic and Research Libraries in Ghana (CARLIGH) to host the National Repository and since KNUST Library was the first Institution in Ghana to set up a Repository, it was asked to host the National Repository."

The inconvenience caused is deeply regretted.
