TECHNOLOGY KUMASI**

**NEW POLICY ON ADMISSIONS TO PROGRAMMES OF STUDY AT
THE UNIVERSITY**

IN KEEPING with University's strategic and strenuous efforts at providing greater access to science and technology education and training for national development, the University has accordingly reviewed the policy of tying Admissions to Programmes of Study at the University with the provision of secured on-campus accommodation for admitted students. Admissions to the University with the attendant offer of accommodation in Halls of Residence have, therefore, been decoupled. The Policy of **IN-OUT-OUT-OUT** on Residential Accommodation for admitted students is hereby proscribed.

All Students admitted to Programmes' of Study at the University shall be required to make their own Residential arrangements with the University's Halls of Residence and Hostels. **PRIORITY** of **PLACE** in these Residential Facilities shall be given to **ONLY UNDERGRADUATE FRESHMEN**. To this end, all **FRESHMEN** with admission to the University shall apply to their respective **AFFILIATED HALLS OF RESIDENCE** for consideration for on- campus residential accommodation. **THIS NEW POLICY TAKES EFFECT FROM THE 2013/2014 ACADEMIC YEAR.**
