REVIEW OF POLICY ON WITHDRAWAL OF STUDENTS

The Academic Board at its 349th Meeting held on, March 21, 2016 considered and reviewed the University's Policy on "Withdrawal of Students" based on academic performance.

The Academic Board's decision was that, the status of students shall be determined after the Supplementary Examinations for the Academic Year.

Consequently, all Students shall have the capacity to write Supplementary Examinations, irrespective of the number of trailed courses, at the end of the Second Semester Examinations.
